Sat April 24 2010 tbc	Guild AGM (afternoon, venue tba)	

Above is the list of Eastern Branch and Guild meetings for the year. The Branch meetings are all on the practice night of the host tower at 7.30pm.

The aim of Branch practices is to help the local tower, so their requests for methods on which to focus have been included wherever possible. Branch practices also provide a variety of ringing for us all. We can't do that without ringers so please try to come!
